HISTORY/FACTS/ISSUES:

Sumter County entered into an Interlocal Agreement with Citrus County for disposal of large animals at their Class 1 Sanitary Landfill Facility, located at 230 West Gulf to Lake Highway, Lecanto, Florida 34461. The contract period began January 13, 2009 and ended September 30, 2009.

Sumter County Public Works has used Citrus County Landfill several times over the past year, on an "as-needed" basis, to dispose of large animals.

Sumter County Public Works would like to exercise the option in paragraph 3 of the Interlocal Renewal Agreement (Extend the Agreement for one year, from October 1, 2009 through September 30, 2010).
